Dear Tribal Member,

This is written to inform you that due to the number of Elder Applications being received on a monthly basis and the availability of funds, that the Elder age has been increased from Age 52 to Age 55 and there are no more \$10,000 dollar Elder Benefits unless an Elder is at minimum of 55 years old and in the process of collecting these funds.

Also, please be advised that the Elder age may be changed again in the future due to the availability of funds. Just as an example, for the month of January 2019 , 300 Elder Applications were processed and awaiting funds. The Nation was only able to fund 160 of these applications and the remaining age 55 years of age and older will await funds for February 2019 disbursement.

If you should have any additional questions regarding, please feel free to email me at [cbrown@sctribe.com](mailto:cbrown@sctribe.com) .

Respectfully,

Carol Brown
