

Environmental Director

The Seneca Cayuga Nation is accepting applications for an Environmental Director. Under the general supervision of the Executive Director, the Environmental Director is responsible for administrative management, planning, decision-making, implementation and final approval for products and deliverables within the Nation Environmental Programs. Qualification to do lead Base Paint Inspections, Risk Assessments, lead Hazard Screens, and Asbestos Inspections preferred. Must have experience managing personnel and be able to work independently and with others as well as good communication skills, organizational skills and strong computer skills, including common Office Programs. Supervision duties will include but not be limited to the following: field data collection, data entry, processing analysis and reporting under the Seneca Cayuga Nation's Water Quality Monitoring Program. The Environmental Director will review scientific studies and proposals, wetland identification and delineation, water and sediment sampling and testing, assessment and reporting. May also be utilized in the NRDAR Program and participate in several tribal consortia regarding NRDAR. Other duties may include adding support to the Recycling, Open Dump Remediation, Indoor Air Quality Monitoring, Climate Change Adaptation, GIS, and any other programs the Environmental Department may engage in. Experience in Water Quality Monitoring under EPA's Tribal CWA 106 program will be an advantage as well as competency in basic scientific principles involved with water chemistry, biology and toxic substances. Minimum of a Bachelor's Degree required, related field preferred. Work experience with environmental and federal programs is a must; experience with federal grant applications and management strongly preferred. Valid driver license and ability to travel overnight as needed.

Applications are available at 23701 South 655 Road, Grove, OK, 74344. Resumes and applications may be submitted to Human Resources at business address or online at cjones@sctribe.com or cbrown@sctribe.com. Tribal/Indian preference will be used in the filling of this position. Posted until filled.
