Phased Opening – Update

The Seneca-Cayuga Nation offices will be staffed in a phased approach starting Monday, May 4, 2020, until further notice with all outside doors locked to the public. We are attempting to open and provide services to our members and community while keeping the safety of our employees in mind. The phased approach will be followed until we are confident that we can safely open offices to the public. We will continue to do our best to serve our community during this transition. In the remaining portion of this communication you will find contact information (phone extensions) for departments.
