Offices Open to Public

As of March 22, 2021, the Seneca-Cayuga Nation Offices are now open to the public. The employees and those they come in contact with will still be expected to wear a mask during interactions.

A best practice to follow would be to call ahead before coming to the office to make sure the person you are intending to meet is on-site. Appointments are still strongly encouraged.

I want to thank all of you for your patience and understanding as we tried to get through the pandemic safe and healthy.
