

General Council 2021 Notice

THIS YEAR'S GENERAL COUNCIL WILL BE HELD ON June 5, 2021

This year's General Council will be held June 5, 2021 at 10:00 am. The tribal departments will have booths setup representing their various programs and lunch will be provided. A preliminary copy of the agenda will be posted as well as a proposed modification to the enrollment ordinance for member review on the tribal website.

The General Council requires 225 people to have a quorum and must be maintained to conduct business. We are also still dealing with COVID-19 and hope our tribal members have taken advantage of the readily available vaccines. The decision to proceed with an in-person meeting was difficult but the in-ability of our tribal members to be able to meet and discuss their questions and concerns is also difficult. We ask that attendees follow COVID-19 pre-cautions as they see fit.
